Get More Out of OpenEdge 12

Basic OpenEdge Developer Learning Path and Certification Exam

DATA SHEET

OpenEdge Developers asked for help to train new OpenEdge Developers, and Progress delivered. The Progress Education team designed a learning path and certification program to meet the demands for new courseware for OpenEdge Developers, launching the Basic OpenEdge Developer Learning Path and Certification exam. These assets are compatible with (LTS) OpenEdge 12.2.

Available today, users can purchase individual courses, the entire learning path (discounted to $895 USD) a certification exam ($150 USD), or the bundled learning path and certification exam (discounted to $995 USD). For a complete price breakdown, please view the chart below.
