EXHIBIT A

Board Membership Criteria

The Nominating Committee believes that it is in the best interests of the Company and its shareholders to obtain highly qualified individuals to serve on the Board. At a minimum, the Nominating Committee must be satisfied that each Nominating Committee-recommended nominee has the highest personal and professional integrity and demonstrated exceptional ability and judgment, and will be effective, in conjunction with the other directors and nominees to the Board, in collectively serving the long-term interests of the shareholders. In addition, the Nominating Committee has established the following minimum requirements (although exceptional candidates who do not meet all of these criteria may still be considered):

- The nominee shall have at least five years of business experience.
- The nominee shall have no identified conflicts of interest as a prospective director of the Company.
- The nominee shall have no convictions in a criminal proceeding (aside from traffic violations) during the prior five years.
- The nominee shall demonstrate a willingness to comply with the Company's Code of Conduct and Finance Code of Professional Ethics.

In addition to the minimum qualifications for each nominee set forth above, the Nominating Committee shall recommend that the Board select persons for nomination to help ensure that:

- A majority of the Board shall be "independent" in accordance with the standards established pursuant to Rule 4200(a)(15) of the Marketplace Rules of the NASD.
- Each of its Audit, Compensation and Nominating Committees shall be comprised entirely of independent directors.
- At least one member of the Audit Committee shall have such experience, education and other qualifications necessary to qualify as an "audit committee financial expert" as defined by the rules of the Securities and Exchange Commission.

Finally, in addition to any other standards the Nominating Committee may deem appropriate from time to time for the overall structure and composition of the Board, the Nominating Committee considers the following factors when recommending that the Board select persons for nomination:

- Whether the nominee has direct experience in the software industry or in the markets in which the Company operates.
- Whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background, experience, skills, ages, race and gender.
