Progress OpenEdge: Powering the Apps You Use Every Day

Over six million end users rely on business applications developed and delivered by Progress® OpenEdge® partners. Our network of more than 1,700 independent software vendors (ISVs) partner with Progress to deliver reliable and scalable solutions for their customers.

Who Runs on OpenEdge Applications?

- **The #1 clinical lab** systems provider and their 3,000 customers
- An **ERP solution** with 21,000 customers and 2.3 million daily users
- The **student information system** used by over 2,500 school districts and municipalities
- The **leader in travel and expense** management solutions

What Results Are Adopters Seeing?

Progress commissioned Forrester Consulting to conduct a Total Economic Impact™ study to evaluate the potential return on investment (ROI) of the OpenEdge 12.x series.

Key Findings of the Study:

- 6% increase in **developer productivity** due to **environment stability and speed**
- 6% to 8% **boost in revenue** from both new and existing customers
- Up to 50% improvement in **developer retention** rates
