

# #ProgressNEXT17

## Social Media Contests Join in to Win!

This year at ProgressNEXT, we're going to take your experience to the next level and get you involved in the world of social media. During the conference, there will be a course in social selling and THREE social media contests!

### Contest #1: Social Media Engagement

We want you to share your experiences with the world through this social media engagement contest. Share a post to Twitter or to our Facebook Page using the handle #ProgressNEXT17, get the most engagement—likes, comments, replies, or shares—and win a **Fuji Film FirePix XP80!**

It's that simple.

### Contest #2: Social Media Photo Wall

During our trip to Epcot, we will have a special wall setup for you to take photos. Have your photo taken in front of the wall, share it either on Twitter or to our Facebook page using the hashtag #ProgressNEXT17—and be entered to win a **Rebel Camera – T5 camera.**

Look for the guidelines for our most exciting contest, the **Social Media Scavenger Hunt**, in the rest of your #ProgressNEXT17 materials.

You can find terms and condition for all contests on the social media section of <https://www.progress.com/partners/next>.
